

# INTELLIGENT PLATFORM READINESS & REVIEW

Ensure a smooth migration to the cloud with a 3Cloud Azure expert.

You made the smart move to Azure and built a solid foundation for a modern business. Now you're ready to level up and enhance the features of cloud computing. **Intelligent Platform Readiness & Review** guides you in strengthening your current Azure position and leveraging your initial investment for peak performance.

## Why It Matters

Through recommendations, validation and best practices in the following focus areas, 3Cloud will identify improvement opportunities and deliver a customized plan.

### Security & Governance

It is imperative to stay ahead of evolving threats to IT security. A review of your security features can pinpoint deficiencies. It can also prepare you for upcoming changes to your compliance requirements.

### Networking & Operations

Organizations change over time and so do your Azure foundational needs. A checkup ensures that your network is functioning at optimum levels and identifies ways to achieve maximum efficiency from improved operational practices.

### Cost Optimization, Cost Management & FinOps

A thorough cost analysis of your current Azure spend may uncover opportunities for cost reduction. This analysis may also be used to justify moving additional workloads to the cloud.

3Cloud per person delivers 3x in comparison to many other firms we are working with.

# How It Works

During the 4-week Intelligent Platform Readiness & Review engagement, 3Cloud experts will access and analyze your environment. They will also conduct workshops with key team members of your organization to collaborate on best practices and improvement opportunities. Finally, our team will formulate recommendations and prepare the executive readout.

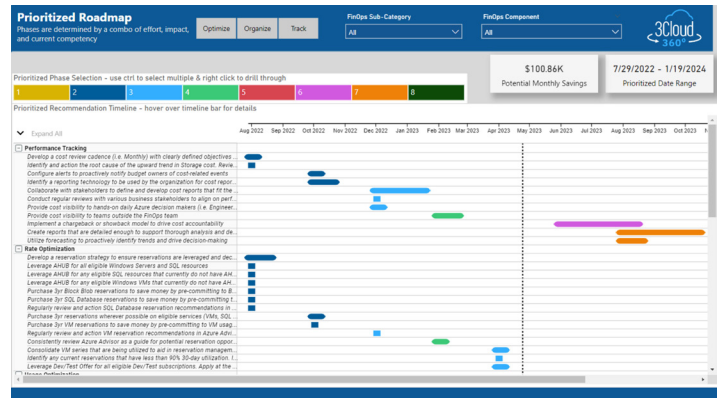

## Deliverables Include

- Infrastructure Health Check Scorecard
- Infrastructure Health Check Assessment Workbook
- FinOps Assessment Workbook
- 3Cloud 360 FinOps Dashboard (Scorecard, Recommendations, Roadmap, Potential Savings)
- Professional and Managed Services Estimates
- Executive Readout
